

Immunization Clinic

Provided by Franciscan Health Immunization Services

Saturday, July 25, 2020

Ladoga Christian Church

124 W. Elm St., Ladoga, IN

9:00 a.m. to noon

Children and Adults welcomed.

For Hoosier HealthWise/Medicaid, Private insurance (will be billed),
Uninsured (\$10 per vaccine)

Parent/Guardian bring your children to receive their current/required immunizations (especially for school). There are kindergarten vaccines needed, 6th grade vaccines needed and 12th grade vaccines needed to meet Indiana school requirements. **All Indiana students in all grades will be required to receive the Hepatitis A two shot series.** All vaccines are available to receive that are appropriate for your child's age.

Adults may need to update Tdap (tetanus, diphtheria and pertussis), Hepatitis B series, Hepatitis A series.

No appointment necessary. No need to take the week day off work for a medical appointment. Anyone is welcome to come.
